

About SUEZ Energy North America, Inc.

Based in Houston, SUEZ Energy Resources NA, Inc. (formerly named Tractebel Energy Services, Inc.) is a wholly owned subsidiary of SUEZ Energy North America Inc. SUEZ Energy North America is responsible for managing SUEZ positions within the energy value chain in the U.S., Mexico and Canada, including electricity generation and cogeneration, natural gas and liquefied natural gas (LNG), asset-based trading and origination, and retail energy sales and related services to Commercial and Industrial customers.

SUEZ Energy North America owns and/or operates a total of 45 power, cogeneration, steam, and chilled-water facilities, including those in construction or development, representing a capacity of more than 5,538 MW of electricity generation, 7.0 million pounds per hour of steam, and more than 65,000 tons per hour of chilled water. SUEZ Energy North America's wholly owned subsidiary, Distrigas of Massachusetts, owns and operates a liquefied natural gas receiving terminal in Everett, Massachusetts, which commenced operations in 1971 and currently serves most of the gas utilities in New England and key power producers, meeting approximately 20 percent of New England's annual gas demand.

In Mexico, SUEZ Energy North America affiliates operate three natural gas distribution companies as well as cogeneration plants in Tampico and Monterrey, which produce 280 MW of power.
