## VENTUS ENERGY WEST CAPE WINDPOWER LP COMPLETES SHARE PURCHASE TRANSACTION

**Toronto, March 28, 2008**—Ventus Energy West Cape General Partner Limited (the “General Partner”), the general partner of Ventus Energy West Cape Windpower LP (the “Partnership”), announced that a special meeting of unitholders of the Partnership was held on March 27, 2008, at which meeting the unitholders approved the sale of the Partnership’s shares in capital of West Cape Wind Energy Inc. to Ventus Energy Corp. (“Ventus”) for aggregate cash consideration of CAD \$21 million, the completion of such share purchase transaction occurred on March 28, 2008. At the same meeting the unitholders also approved the dissolution of the Partnership upon the distribution of all of the Partnership’s assets to the unitholders. Dissolution of the Partnership is expected on or about April 14.

The General Partner is a wholly-owned subsidiary of Ventus Energy Corp., a member of the SUEZ Energy North America group of companies. For more information about SUEZ Energy North America, please visit [www.suezenergyna.com](http://www.suezenergyna.com).
